

Appln No. 10/815,626  
Amdt. Dated April 26, 2006  
Response to Office Action of March 20, 2006

15

**REMARKS/ARGUMENTS**

The Applicant thanks the Examiner for the Office Action dated March 20, 2006.

**Specification**

The co-pending applications listed on pages 1 and 2 of the specification have been updated with corresponding US application numbers.

**Claim Objections**

The claims have been amended so as to incorporate the Examiner's proposed amendments. With the incorporation of the limitations of claims 17 and 18 into claim 1, there is now proper antecedent basis for "the processor" in the dependent claims.

Claim 67 has been cancelled.

Trivial grammatical corrections, deserving no further comment, have been made to some of the dependent claims.

**Claim Rejections - 35 USC § 102 & 103**

Claim 1 has been amended to include the limitations of claims 17 and 18. The Applicant concurs with the Examiner's comments on 16, paragraph 12 of the Office Action.

It is respectfully submitted that all of the Examiner's objections have been successfully traversed. Accordingly, it is submitted that the application is now in condition for allowance. Reconsideration and allowance of the application is courteously solicited.

Very respectfully,
